Move in Day Shuttle Vans

- Saturday, Sept. 17 and Sunday, Sept. 18, 8am-4pm
- Provided between the long term parking areas and the residence halls
- Watch for signs to long-term parking lots and shuttle stops

UCen (University Center) Services

The UCen is your one-stop shop for all of your campus needs. There are eating establishments, a coffee shop, post office, copy shop, conference rooms, computer stations, couches for relaxation and, of course, the UCSB Bookstore. At the UCen Information Desk on the main level, you can get your Access student ID card photo and pick up your PO Box key.

UCSB Bookstore

Located in the UCen, your campus store for:

- Textbooks and other course materials (in-store and online)
- Computing (Apple products, in-house repairs, trade-ins, service, and more)
- UCSB merchandise, including clothing and gifts
- Bikes, skateboards, and accessories
- Health and beauty, cold and cough, snacks and more

Reach us at 805 893-3271 or www.bookstore.ucsb.edu

UCSB’s Bicycle Program

The Bicycle Program at UCSB is comprised of many individual services that are provided for the campus community. The CSO Office is where bicycles can be registered, reported stolen, and released from impound.

CSOs (Community Service Officers)
Community Service Organization officers are responsible for:

- Bicycle Registrations
- Bicycle Safety Education
- Warnings for Bicycle Violations
- Impounding/Release of Impounded Bicycles

The CSOs will set up registration locations at the residence halls or visit the Bookstore’s Bike Outpost during Move-In Weekend.

Office Hours: Monday - Friday 12 noon - 3 pm  Phone: (805) 893-5293
The CSO Office is located in Lot 32, behind the Public Safety Building at the corner of Mesa and Stadium Road.

Bike Registration:
UCSB has a unique characteristic, a large bicycle population within a relatively small radius. Registering your bike will greatly improve the chance of your bike being found if it is lost or stolen. It also makes it easier for you to retrieve your bike from impound and enables the CSOs to store it during the summer if you want to leave your bike in Santa Barbara. Registration is good for three years.

To register a bicycle, there will be bike registration at the residence halls and at the Bookstore Outpost during Move-In Weekend:

Friday - Monday, 9/16 - 9/18: UCSB Bookstore Outpost (9am - 5pm)
Saturday & Sunday, 9/17 & 9/18: Santa Catalina, Manzanita, and Santa Rosa (8am - 4pm)
Monday & Tuesday, 9/19 & 9/20: Storke Tower (9am - 1pm)
You can also stop by the CSO Office during scheduled hours and bring your bicycle, a valid photo ID, and exactly $10.00 (no coins please; bills, check, or credit card only). If you have lost your bicycle on University property please call (805) 893-3446 or come down to the Public Safety Building so a police officer can take the report.

**Bike Laws:**
Please take notice of the warning signs placed in key locations around the UCSB campus such as the Library, the Arbor, Phelps Hall, and the Humanities & Social Sciences Building are a few of the locations where warning signs are posted.

**Do not park your bike against trees, on lawns, in planters, on ramps, in building entrances, or against walls. Bicycles parked anywhere other than a rack is illegally parked and may be impounded.**

To ensure the safety of pedestrians as they move about campus, CSOs may be positioned at locations where people are constantly riding their bikes on the sidewalk. CSOs are responsible for warning individuals of bicycle regulations and enforcing them, when necessary.

**Please WALK YOUR BIKE on the sidewalks.**

---

**CSO's use the following types of tags/flyers:**

- **ORANGE** – warning of illegal parking
- **GREEN** – notice that bike has been moved to nearest rack
- **RED** – notice that bike has been impounded

---

**Riding Laws:**
The most common infractions that CSOs provide verbal warnings for are:

- **Riding on the sidewalk:** This is especially dangerous during daylight hours when students are traveling between classes.
- **Riding double:** Hazards of blind spots and poor braking response due to the extra weight and lack of balance make this a dangerous way to ride.
- **Riding with no hands:** This is a notoriously dangerous way to ride, especially with excessive speed.
- **Skateboarding, rollerblading, or walking on the bike path:** Due to the swift nature of UCSB's bike paths, this hazard puts a large number of people at risk of serious injury.

---

**Bike Infractions:**
Impounding bicycles is necessary to prevent accidents and hazards. Bicycles that present hazards to pedestrians, other bicyclists, or vehicles will be impounded - this includes bikes that are parked in an improper location. If your bicycle was impounded, it will be available for **release the following day** at the CSO office. If not already registered, impounded bicycles must be registered prior to release.

**Fees:**
- Impound Release Fee: $24.00
- Registration Fee: $10.00

*To register/release your bike, you need to provide exact change, a check made out to “UC Regents,” or pay by credit card.*
