Payment Deadlines

Undergraduate Students

- Room and Board charges will be added once we complete the room booking process. At that time, we will notify you that the bookings are complete and that you should check your BARC account.
- Any costs associated with UCSB housing will not be past due until after September 15, 2016. They will be posted to your BARC account well before that so you have some time to make necessary arrangements for payment. If eligible for a Financial Aid refund, your housing costs will be deducted from your financial aid disbursement before the refunds are processed.
- Undergraduate fees will be assessed September 1, 2016, or the weekday just before if on a weekend, and must be paid by September 15, 2016, or the weekday just before if on a weekend, by 4 pm.
- If you have any outstanding debt from housing or any other university debt not fully paid by the above deadline, your pre-enrolled class space will be cancelled and you will be required to pay another registration fee as well as re-enroll in available classes.
- **Note:** the 15-day grace period extends the housing due date to September 15th, which is the due date on your BARC statement.

- Information regarding anticipated housing costs for 2016-2017 can be found on the Housing website: [http://www.housing.ucsb.edu/rates](http://www.housing.ucsb.edu/rates)
